Gentlemen:

I **OPPOSE THE DRAFT M.O.U.** being proposed by the FDA. In particular, I **OBJECT** to the definition of "*inordinate amount*" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Since the compounded prescription I require is not available from commercial pharmaceutical manufacturers, nor most local pharmacies, my concern is that this limitation would compromise my quality of life by restricting my ability to obtain medication my doctor has prescribed and that I need.

I feel it is my right to decide what is best for me and from whom I order my medication.

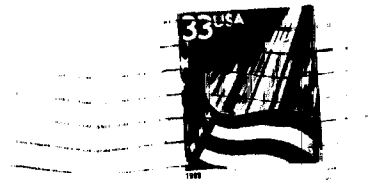

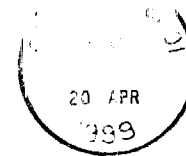

Sincerely,

Jeri Green
